

Press Release:

South of England SuperBike Show: Sunday 7th August

June 2011

HEAD DOWN THE HIGHWAY TO THE SOUTH OF ENGLAND CENTRE FOR THE CLASSIC SUPERBIKE SHOW

The Classic SuperBike Show is coming to the South of England Centre this summer on **Sunday 7th August**.

The event, which is squarely aimed at motorcycle enthusiasts of later classics, will include a show of 150 classic bikes. Visitors to the show will also be able to enjoy the attendance of various clubs including The Kettle Club for Suzuki GT 750 Machines, The Honda CBX RIDERS CLUB UK, The Norton Owners Club, The Vintage Japanese Motorcycle Club and the Indian Riders MCC.

Trade stands, an adventure bike section, auto-jumble and the restoration section which will promote a wide range of services such as chrome plating, polishing, painting and wheel-building for enthusiasts looking to restore their bikes.

The Adventure Bike section will be hosted by Spencer Conway, first man to circumnavigate Africa solo by motorcycle.

The day will also include full outside catering including local free-range pork Hog Roast.

“Building on our extremely successful South of England ‘RealClassic’ events which cater for pre-1980 motorcycles, we saw the need to give enthusiasts of later machines their own show.” says Julie Diplock, organiser of the Classic Bike Show.

Due to previous successful events, the show is expanding its use of the South of England Centre. Expanding its auto-jumble, the event will make use of the Abergavenny Building, an indoor exhibition hall measuring 110m x 30m, The Robins Hall and the Young Farmers Building in addition to the Queens Jubilee Hall, which already boasts 1150 square metres of exhibition space with extensive parking nearby. Altogether, there will be 5,500 square metres of indoor bike-only auto-jumble and there will also be an outside auto jumble against the stunning backdrop of the southern countryside.
