

Press Release: September 2011 : The Romney Marsh Classic Bikejumble takes place on Sunday 18th September at Hamstreet, Kent TN26 2JD.

The event comprises a large motorcycle-only autojumble, with a range of specialists selling new and used spares for an enormous range of motorcycles, plus new & period clothing and motorcycle accessories. The autojumble continues to grow, and gives the classic motorcycle enthusiast the ideal opportunity to find that essential part for their pride & joy or to buy a new project for restoration. There's also a BikeMart, where complete machines are bought and sold and there's always a great turn-out of folk on their bikes.

Hayes & Southall Motorcycle Club will be playing live MotoBall, which is 5-side football played on motorcycles. MotoBall was started after the first World war by British army dispatch riders. The sport grew and a British League and Knock-out Cup ran for many years. However, along with many other motorcycle sports such as Grasstrack and Speedway, popularity declined until it is now rarely seen in the UK. A selection of basic trials machines will be in use, including twin-shock Honda, Yamaha, Bultaco, BSA C15 and Husqvarna and it's fast and exciting to watch! Hayes & Southall Motorcycle Club are always on the look-out for new members, so this could be your chance to join in.
