**Feedback from Our Visitors:**

**Gregg S** Went today with my son and two of my grandsons it was very well organised and a good day out

**Colin F** lot of hard work went into this.. thanks julie , and co.

Ian T. we always knew it would be different, but it was really well organised, well laid out and friendly. everyone i met said it was great to be out. thankyou for being brave enough to be the first to try an event in this different way of living at the moment. had a good browse, some nice cake, some ideas and a fab time. and best of all supporting local organiser. Thankyou

**Graham H** Thanks very much for holding the show in difficult times. Went both days, rode my 2 bikes and had photos taken on way in. On wall of man cave now. Bought a few bits and talked to fellow bikers, bacon sarnie and cup of tea and good rides there and back. had a great weekend. Thanks again. Looking forward to next one.

Ged A: Brilliantly organised, easy to maintain social distancing, lots of stalls, hand sanitizer everywhere, and everyone acting in a safe manner.

I was impressed picked up some bits I needed, and thoroughly enjoyed the day.

Of course it was different to past events, but for my money it was marvellous that such hard work had been put in to give us something.

Better than I expected it to be. Well done to all involved.

**Victor G** I thought there were many more stalls than usual today but still looking for those elusive parts. Nice to have a ride out to go somewhere instead of a ride out and ride back for the hell of it.

Well done all - great job done - enjoyed it immensely

**Billy A** Was a very well Organised & safe event, every one was following guidelines. Well done to all

**Ernest C** Great day thanks look forward to seeing you next time

**Ian T** Very well organised thankyou

**Julie J-W** Cheers! Came on two wheels anyway! See you at the next event! Great job with the restrictions etc. Not easy to manage but a great event and so well organised!

**Paul R S** Went on Sunday - well done Jullie and the team - you have set the standard.

**Keith W** Apart from the parts that I bought, the fact that the event went ahead when so many are being cancelled means " well done " to all concerned. Thanks.

**Bob C** Fantastic show, all things considered. Staff/helpers were phenomenal Thank you very much

**Dave L** Thank you had a great afternoon.

**David E** Was a good show thanks to the clean cut running made it all the better getting in and out .

**Andrew I** got some great bits will pop up soon to grab a bargain plus good day out

**Ross B** Great day

**Jeremy F** Had a great day got all the bits I needed for my Triumph..lovely to see you all...

**Hazza B** Was a nice afternoon out after such a long time locked up! The one way system in the large sand barn should be kept in place, so much easier to see things without dodging and being barged by people.

**Alan W** a great day, 8am rideout from Gosport up through the South Downs was awesome. Found a couple of rare 750/4 bits I was looking for. Had a good rummage and a chinwag, saw some nice bikes and headed off home happy. Well done everyone, see you at Romney Marsh on September 13th.

Keith W: Just got back from Ardingly, spent lots of money bought loads of bits and was very impressed with the organisation of the event. Thanks to everyone involved in making it happen.

Dennis: Thanks for all your hard work on Saturday ,it was great to do something that felt normal and we all enjoyed it, maybe some of the others may take a leaf out of your book. Looking forward to the next one

Thank you for a very enjoyable day out yesterday.

As an 80-year-old with other health problems I have not been out apart from clinic visits since March so it was great to be in the open air meeting old friends and seeing life again.

Hope it was successful for you, John B

**Feedback From our stallholders:**

**Nigel S** Also the jumble for me was better than Netley and Beaulieu combined without the expenses so clap hands for.

Hi Julie & Rick,

Just a note to say thank you for the effort you & all your team put into organising the weekend.

I hope it was worthwhile for you, all the extras you had to pay for.

But a very big thank you, last week Andrew & myself were saying we could do without this show, we had just got out of the habit, once we started setting up on Friday we felt at home.

Once again,thanks for helping to make our weekend very worthwhile.

Best wishes, Paul & Andy (stall-holder)

**Robert L** - autojumble. Busy day. Just like the old days!

Just wanted to let you know We really enjoyed Ardingly and would like to get booked in for Romney Marsh please. Cheers Jamie

**Nigel S Elk Proms** You were bold enough to put on a jumble when others failed. We were all saying this time next week we'll be back to staying at home again. It was a real boost to the system and that's what we all need. Roll on .. Ham St.

**John O'B** Thoroughly enjoyed my weekend - it can't have been easy to organise - so well done to Julie & her team - I bought & sold there - I left very happy - look forward to the next event - thanks Julie - great job done ☐
