

# Covid Safety Measures: ELK Promotions Events

The Showground has been deemed a 'Good to Go' venue by Visit England and we have been working hard behind the scenes to plan our events within current government guidelines. To ensure the safety of all attendees we have the following safety measures in place for our event:

- **IF YOU FEEL UNWELL, HAVE ANY COVID-19 SYMPTOMS, ARE IN QUARANTINE OR ARE SELF-ISOLATING PLEASE DO NOT ATTEND.**
  - **Please check [www.elk-promotions.co.uk](http://www.elk-promotions.co.uk) or ring 01797 344277 before travelling to the event.**
  - **Please come and enjoy the event in groups of up to 6 or your household bubble, in line with government restrictions.**
  - The lead ticket purchaser for a group **must know the contact details of their party**
  - We are strongly advising visitors to **purchase their tickets online in advance** to guarantee entry since numbers on site are now limited, and to enable us to allow visitors to enter the site quickly and minimise queuing and payment handling.
  - **Pay on the day tickets may be available should all advance tickets not be sold.** Contactless card payments will be accepted, as will cash – please have the correct change. Social distancing will be required when queuing.
  - Pay on the day visitors will be asked to check in to the **NHS Test and Trace** system using the QR-Codes displayed at all entrances. There will be a paper system for those unable to check in using the QR-Codes, and the lead purchaser will need to give their contact details. The collection of **NHS Test and Trace** data will take extra time at the pay gates which may cause queues.
  - By attending the event visitors agree to sharing their information with **NHS Test and Trace** within a 21 day period of their attendance should this be necessary.
  - Thanks to the size of our site and the multiple entry points, we are not requiring timed entry to the event.
  - Should you wish to exit and **re-enter** the event please ensure that collect a re-entry wristband on exit.
  - **Social distancing** will be in place across the entire event and showground including the car parks and any queues. There will be extra staff and signage throughout the Showground. We are asking all people on site to observe the 2m social distancing rules or 1m plus mitigation (face coverings, screens etc) where this is not possible.
  - **Face coverings are mandatory in all halls for ages 11 and over unless you are exempt, and are strongly recommended at all times at the event and you must bring your own with you.**
  - The number of people allowed inside the buildings at one time will be limited and the one-way routing must be followed. Please follow all stewards' instructions.
  - **Handwashing facilities and sanitiser stations** will be provided and sign posted across the site.
  - Extra signage will be in place in **toilets** for handwashing plus regular cleaning will be taking place
  - All **catering** concession will be outside with nearby handwashing and sanitising stations.
  - Please check this page again closer to the date of the event for any additional information
- IF YOU HAVE ANY CONCERNS ABOUT BREACHES OF COVID SAFETY MEASURES PLEASE CONTACT THE ORGANSER AT THE PEDESTRIAN ENTRANCE GATE.**
