# 2021 Show News:

Each accepted machine will receive an eTicket that will give free entry for ONE person. Additional helpers can be paid for in advance or on the morning. You will be sent full joining instructions and your eTicket by email, unless you have posted us an SAE.

All our events feature the popular traditional motorcycle-only autojumble, with tons of spares and motorcycles for sale, together with new spares, clothing and accessories for sale in the marquee. Bag a bargain, find that elusive part for your current machine or get inspired by a new project. If you're struggling for space, why not book a workshop clearout stall? It's the ideal way to dispose of that uncompleted project, the machine you never quite got on with, those leathers that got too small and all those bits and pieces you never got around to fitting before you parted with the bike.

Don't forget: it's clock change weekend – clocks go back one hour.

Please ensure you read all information provided on the joining instructions - you will need to take Covid19 measures similar to last year, and we advise wearing a face-mask inside unless exempt.

Other news:

- You can join our virtual classic bike events online at [https://www.facebook.com/groups/216026073079272/buy\\_sell\\_discussion](https://www.facebook.com/groups/216026073079272/buy_sell_discussion) , **You're most welcome to post any goods for sale or mail-order details; photos and updates: do share your news & photos.**
- Visitors can purchase tickets to the event in advance, tell them to visit [www.elk-promotions.co.uk](http://www.elk-promotions.co.uk) to buy online. In the event of cancellation, their ticket will be automatically carried forward to our next event or they can request a refund. A small booking fee of 62 pence per ticket applies (note this does not go to ELK Promotions)  
It's still possible for visitors to pay on the morning, by cash or card but we're advising visitors to purchase their tickets online in advance of the event. Booking in advance helps us to plan the event, enables us to contact visitors directly if necessary and streamlines the entry gate.
